In the order cited above Government were pleased to sanction the opening of a new Fisheries Elementary School at Padnekadapuram in South Kanara District in June 1954 with three higher elementary grade teachers on Rs. 30-1-50 per mensem each for the school for a period of one year from the date of appointment.

The school was opened on 2-6-54 with standards I and II with a strength of 70 pupils. Two higher elementary grade teachers were employed from the day of opening of the school (2-6-54) and the third teacher was appointed on 1-9-1954 when the strength went up to 97. The sanction accorded therefore expires on the dates noted below:

The strength and average attendance of the school for the months of January, February and March 1955 are furnished hereunder:

Standard	January 1955		February 1955		March 1955	
	Strength	Average attendance.	Strength	Average attendance.	Strength	Average attendance.

The three teachers sanctioned for the school are in charge of one class each. Hence the continuance of the three posts is essential.

The Assistant Director, Mangalore reports that standard III is to be opened in June 1955 and that the strength expected in that standard is 20. He further reported that he will submit his proposals for the appointment of additional teachers and for incurring necessary non recurring expenditure after the school is reopened and standard III is opened after watching the actual strength in June 1955. I, therefore request that Government may be pleased to accord sanction

2. In the circumstances explained I am permitting the Asst.Director of Fisheries, Mangalore to open standard III to begin with from 1-6-55 in the above in anticipation of Government sanction pending orders on my letter cited. I request that my action may kindly be approved.
